## Photo Contest Huge Success

Our first quarterly photo contest was an unqualified success, and we have the photos in this issue to prove it. Nine photographers submitted 20 qualifying pictures. Besides Frank Wilson's First Prize winning entry above, the following pages present four Honorable Mention entries for your enjoyment.

Continue submitting your bird photos every quarter. The best will be published here, and the very best will win prizes. Photos entered in our quarterly newsletter contests are also automatically entered in our 2018 MVAS Calendar Contest and are eligible to win a pair of birding binoculars.

Submit your photos for next quarter's contest by December 31, 2016. Entry rules are on the back page.
